

Group VII: Claims 27-28, drawn to a device comprising a vibrating part and support means for said part, classified in class 336, subclass 100.

In response, the Applicant elects Group II (claims 9-11), which are drawn to a device comprising a transformer with a particular case without traverse.

CONCLUSION

In view of the above remarks withdrawal of this restriction requirement is respectfully requested. Further, in view of the foregoing amendments it is believed that claims 1-16 are in condition for allowance and it is respectfully requested that all pending claims be allowed and the case passed to issue.

If there are any other issues remaining which the Examiner believes could be resolved through a Supplemental Response or an Examiner's Amendment, the Examiner is respectfully requested to contact the undersigned at the telephone number indicated below.
